# SOUND EDITING 101

A HANDS-ON WORKSHOP ON PODCASTING  
AND AUDIO PROJECTS WITH DAVID MORGEN

The latest in WAE's audio workshops, Sound Editing 101 introduces faculty and staff to the open source software Audacity and creative commons licensed sounds. Learn how to develop audio assignments that engage the whole class! If you can, please bring your laptop and some headphones or earbuds so you can edit audio yourself.

## ABOUT THE INSTRUCTOR

DAVID MORGEN IS AN INSTRUCTIONAL TECHNOLOGIST AND COMPOSITION INSTRUCTOR IN THE EMORY WRITING PROGRAM. IF YOU'D LIKE TO CHECK OUT ONE OF THE PODCASTING PROJECTS HIS STUDENTS HAVE CREATED, HERE'S THE LONGEST RAINY SUNDAY. YOU CAN ALSO FIND IT WHEREVER YOU GET YOUR PODCASTS.
